Submitted by: Jennifer Madison

In attendance: Sade' Denton, Jennifer Schwab, Jenny Garrison, Erika Youngblood and Jennifer Madison

President's Report- Jennifer S. reported that Mrs. Sutterer had requested money for the, "Living Way of the Cross," pizza party. We gave her \$100.00 from our Misc. budget. She also explained that she had a meeting with Emily Schuler and was able to get a lot of information concerning the new priests, the new accounting firm... "Rita" is the new contact person, and no more reimbursements for taxes.

Treasurer's Report- The Family Festival was a success! We profited approximately around \$1,656.00. Some people are still waiting to get reimbursed. We all also discussed some upcoming field trips.

Previous Events

Jennifer S. is going to follow up on the Trash bag movie prize. She also informed us that the roller skating party at the Wigwam was a success...around 67 kids showed up. We decided we are going to try to have another party towards the end of the year around May 15th.

Upcoming Events

Cookies & Canvas- Possibly not happening because Mrs. Tapy was too busy. Sade' said she might possibly be able to do it for us. We have \$100.00 budgeted and we could do a rainbow/shamrock design.

Stuffie Sleepover- The stuffie sleepover has been scheduled for April 4th. The 8th graders are going to volunteer from 6-8. Jennifer M. said she would be able to attend and help out. Jennifer M. also said she would get the church code so we could take some pictures there.

Race for Education- Sadly, Lisa Whittaker can't help out with Race for Ed this year. We tried to figure out someone who can do it. It will take place on May 7th. We need to e-mail Angela Tapy to see if she will be doing the t-shirt design contest again this year.

Staff Appreciation- With Leap Year Day coming upon us, we want to do something fun for the teachers, there are 43 staff. We thought about giving them some "Extra" gum. We also thought about Swiss cake rolls with little gummy frogs on them. Sade' and Jennifer S. will decide and deliver. We were also thinking of things to do for Pi day (3-14-24.)

Next meeting will be on Tuesday, March 19th, 2024.
